

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is unfair, and gives more than just the appearance of impropriety, it is unquestionably bad for this country.

I have been disappointed at how much freedom the FCC has given big business to consolidate the supposed PUBLIC airwaves in city after city.

This is unpatriotic and against the basic tenants of a free democracy. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Thank you.
